Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The communication filed on 8/13/01 is not fully responsive to the communication mailed 5/30/01 for the following reason:

Applicant has failed to comply with 37 CFR 1.121 regarding amended claims. Claim 26 has been improperly amended in that the clean version includes an underlined comma and the "(SEQ ID NO:16)" present in the previously amended version of the claim is absent from both the clean and marked-up versions of the claim as now amended.

If a complete response has not been submitted by the time the shortened statutory period for response set in the communication mailed has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 C.F.R. 1.136. In no case may an applicant extend the period for response beyond the six month statutory period.

Any inquiry concerning this communication should be directed to the Examiner, Dr. Gerald R. Ewoldt, Art Unit 1644, whose telephone number is 703-308-9805.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.
